

## RESEARCH TOPIC : "A CASE STUDY ON ATHLETIC COACH LINGAPPA DRONACHARYA AWARDEE"

**Dr. Veereshkumar Vijapur**

### ABSTRACT

*The purpose of the study is to delineate the life, sports achievements, professional career, personality and contributions of Dronacharya Awardee Sri. N. Lingappa to Indian Athletics. The present investigation delineates the life, sports achievements, and professional career of Sri. N. Lingappa. The study shows light on the personality of Dronacharya Awardee Sri. N. Lingappa through the opinion and views of his relative's, trainees/sports persons, colleagues, administrators, writers, and other concerned persons. Further the present study attempts to delineate his achievements in the field of athletics and his contributions to Indian athletics.*

*To collect necessary data pertaining to the present case study through questionnaires. The subjects would be administered to the Cattell's Sixteen Personality Factors Questionnaire (Form 'A'), Socio Economic Status Scale, Emotional Intelligence Scale, Relatives Opinion Rating Questionnaire (RORQ), Trainees/Sports Persons Opinion Rating Questionnaire (TSPORQ) and Officials, Colleagues, Administrators Opinion Rating Questionnaire (OCAORQ).*

*The data are in the form of answer given by the subjects in response to the various questions of the questionnaire and also to the verbal questions which are present in the questionnaires asked through interview method. The subjects would complete answering the questionnaire within the stipulated time after which the questionnaires were collected back and the standard scoring key was used to get the score. The data of opinion rating questionnaires would be collected through the Relatives, Trainees/Sports Persons, Officials, Colleagues, and Administrators also from other concerns.*

**Key words: Athletics, Trainees/Sports Persons, Officials, Colleagues, and Administrators**
